

AMENDMENT TO THE CLAIMS

Please amend the claims as follows:

Claim 1 (previously presented) A food product selected from the group consisting of a cake, a cake batter, a muffin, a muffin batter, a brownie, a brownie batter, a bread, a bread dough, a cookie, and a cookie dough, wherein the food product comprises diacylglycerol oil and sodium stearoyl lactylate.

Claim 2. (original) The food product of claim 1, wherein the diacylglycerol oil is used in place of all of at least one of a triacylglycerol oil and a triacylglycerol fat.

Claim 3. (original) The food product of claim 1, wherein the diacylglycerol oil comprises from about 40% to 100% by weight 1,3-diglycerides.

Claim 4. (original) The food product of claim 3, wherein the diacylglycerol oil comprises at least about 45% by weight 1,3-diglycerides.

Claim 5. (original) The food product of claim 4, wherein the diacylglycerol oil comprises at least about 50% by weight 1,3-diglycerides.

Claim 6. (original) The food product of claim 3, wherein the fatty acid component of the 1,3-diglycerides comprises from about 50% to 100% by weight unsaturated fatty acids.

Claim 7. (original) The food product of claim 6, wherein the fatty acid component of the 1,3-diglycerides comprises at least about 93% by weight unsaturated fatty acids.

Claim 8. (original) The food product of claim 7, wherein the fatty acid component of the 1,3-diglycerides comprises at least about 95% by weight unsaturated fatty acids.

Claim 9. (original) The food product of claim 1, wherein diacylglycerol oil and triacylglycerol oil/fat are present in a ratio of from about 1:100 to 100:0 diacylglycerol oil to triacylglycerol oil/fat.

Claim 10. (original) The food product of claim 1, wherein the food product is selected from the group consisting of a cookie and a cookie dough.

Claim 11-13. (canceled)

Claim 14. (currently amended) The food product of claim ~~13~~ 1, comprising about 1% by weight sodium steroyl lactylate.

Claim 15. (original) The food product of claim 10, wherein the food product is a cookie dough comprising flour having protein content greater than about 8% by weight.

Claim 16. (original) The food product of claim 10, wherein the food product is a cookie made from a cookie dough having protein content greater than about 8% by weight.

Claim 17. (original) The food product of claim 1, wherein the food product is selected from the group consisting of a cake and a cake batter.

Claim 18. (original) The food product of claim 1, wherein the food product is selected from the group consisting of a muffin and a muffin batter.

Claim 19. (original) The food product of claim 1, wherein the food product is selected from the group consisting of a brownie and a brownie batter.

Claims 20-45. (canceled)
